The Terror

by Dan Simmons: Dan Simmons writes with the salty grace and precision of Patrick O'Brian. But in piling supernatural nightmare upon historical nightmare, layering mystery upon mystery, he has produced a turbocharged vision of popular doom. -Men's Journal Greeted with excited critical praise, this extraordinary novel-inspired by the true story of two ice ships that disappeared in the Arctic Circle during an 1845 expedition-swallows with the heart-stopping suspense and heroic adventure that have won Dan Simmons praise as a writer who not only makes big promises but keeps them (Seattle Post-Intelligencer). THE TERROR chills readers to the core.
